Congratulations Centennial!

In case you missed it, our district conference was held last weekend. During this two day event, Dan reported 300 people were trained in CPR. Brian indicated that \$15,000.00 was raised in one day for the Rotary Foundation and our club received several awards for this past year. For those newer to Rotary, our district consists of 43 clubs and four Rotaracts. Our district contains clubs mostly in eastern Nebraska however there are also several clubs in southwest Iowa. Of the clubs, our club was number one in per capita giving to the Rotary Foundation. Our club accumulated the third highest point total throughout the year and as such was recognized as the number 3 club in the district. Finally, our club was named the most outstanding small

It's time to have some fun. Our kickball tournament is this Saturday at the Council Bluffs Sports Complex (fields 5 & 6). We have a number of individuals who are coming out to help but can always use friendly faces from the club to show support to the five teams battle it out. It should be a great event. It will be interesting to see if anyone can knock out Children's Square from winning this event for the third time! Games start at 9:00 a.m. Teams will probably start arriving around 8:30 a.m. Thanks to those who have volunteered to help. Hope to see everyone on Saturday.

club in the district. All of this occurred under Dan's term as president. He really put a lot of effort in leading our club this past year and we certainly owe him another thanks. Dan would be the first to say it takes a group of hard working individuals to accomplish all that we did last year and for that reason, thanks to all of our members for a terrific year. Here's to the same success in 2017-2018! (No pressure Bob!)

Since last week's announcement about the change in the number of meetings each month, it was decided by the board that to ensure some consistency, our second meeting will always occur on the third Wednesday of each month. The only unknown will be the time and location of the meeting. So as a recap, beginning in September, our club will meet on the first Wednesday of the month at HyVee at 7:00 a.m. and on the third Wednesday of the month at a location and time to be determined. We are still looking for ideas as to where our "off site" meetings will take place so if you have ideas, please share them.
