Rotary

District 5650

This morning, Dan provided some in-
sights into navigating through the district's
website. The site is located at
www.rotarydistrict5650.org. He shared that
there is a lot of information in this website
which is accessible to the general public.
This information includes information about
Rotary, the Rotary Foundation, club locations,
events, etc. Further, there is information
available to each of us as a member of Rotary.
All you need to do to access it is to log in as a
member. If you have not done such, setting
up a user name and password is easy. If you
have problems doing such, help is available by
sending an email to the following address:
exec@rotarydistrict5650.org. Dan shared it
is helpful to have current member infor-
mation for each of us. If you have not ac-
cessed the district website, please do such
and then, update your member page.
Thanks to Dan for taking the time to share
this information with us this morning.

Greeter Assignments/Program Host Assignments & Room Set - Up Assignments

You have heard the adage that “it takes a village”, well we have that and then some with our club. Recently, Jaymes sent out information to the club as to responsibilities for Greeter/Program Hosts and Room Set Up assignments for all members of the club. Our newsletter will incorporate a rolling calendar as a reminder for when your turn is to come about. I thought it would be helpful to reiterate the information in that email as to responsibilities with each assignment.

Greeter: Although not new to our club but certainly new to many of our members, we will be bringing back our Greeter responsibilities. The newsletter will identify this assignment for the upcoming weeks for your convenience. Essentially your job as a greeter, is to do just that: greet our members and guests. Its great to have a friendly face greet you at the door so when it is your turn, please plan on being in the room by at least 7:00 a.m. If you are waiting for guests to arrive, you can always help out with setting up the room. It does not take long to do. Also, if you can't make it for your week, please try and switch with another Rotarian or contact Jaymes and let him know accordingly.

Program host/Room set up: This is a combined role. As you know, when you are the program host, you are responsible for setting up the program for that week. Once a program has been identified, please make sure you share that information with Jaymes and with Craig so we can make sure this information is shared with the rest of the club. If you need ideas for possible programs, please see Jaymes. In addition to the program for that day, you are also responsible for setting up the room and taking down the room both before and after the visit. If you have questions as to what is needed in setting the room up/where to find items, etc. please visit with Jaymes.

Club Elections

Club elections took place today. Our next club president for the 2017-2018 Rotary year is Bob Collins. Our president elect (2018-2019) is Cary Jackson. Mitch Kay will be our treasurer and Lucinda Klein Lombardo will be our secretary for the upcoming year. Rick Stone will serve as an at large member on the board of directors for a two year term from 2017-2019. A big THANK YOU to each and every one of you for agreeing to step out and serve in a leadership role for our club. It is very much appreciated.

Holiday Party

Next week our club will hold its Christmas party. There will be lots of activities so be sure to come for the fun. Also, there seems to be some interest in an ugly sweater contest. If you have one and are daring to wear it, please do so. Finally, Dan indicated that we each probably have a Christmas story/memory from years gone by. Hopefully, some of us will be willing to share these next week as well. Thanks to Jo for her work in putting together this holiday party.

SCHOLARSHIPS

Nancy shared that she has sent out the information about our club's scholarships to the area high schools. She reported that this was done has Friday and she has already received an application. At some point, she will be looking for individuals who are interested in reviewing the applications to determine the recipients of our club's scholarships. If you are interested, please visit with Nancy.
