Feb. 5: Kyle McGinn

Feb. 10: Frank Fauble

Feb. 23: Ron & Pam Searcy

Feb. 24: Brian & Stephani
Moon

Club Assembly

This morning was very relaxed as it was time for a club assembly. We were a small but mighty group with a lot of great interaction about Rotary. Dan spent a good part of the morning talking about the Foundation. He shared that our club's goals for Foundation giving was \$7,000.00. To date, our club has given \$5,820.00. This breaks down to a per capita giving of \$253.00 per member! Our club's goal for giving to Polio Plus is \$1,000.00. To date, our club has generated \$1,103.00 toward Polio Plus.

Dan shared that our club's goal, as is the goal of Rotary International, that all members give to the Foundation. It does not matter the amount as the smallest contributions go a long way in helping others.

Dan shared a newsletter with the group this morning from WASRAG. This

stands for Water and Sanitation - Rotary Action Group. He pointed out that clean water and sanitation are important goals for Rotary. Donations to the Foundation help in ensuring individuals world wide have a clean water supply.

Bob Collins: President Elect
Cary Jackson: President -nominee
Lucinda Klein-Lombardo, Secretary
Chris Reed, Treasurer
Scott Darrah: Past President
Kyle McGinn: Board Member (2018)
Craig Dreismeier: Board Member (2017)

Greeter Assignments/Program Host Assignments & Room Set - Up Assignments

You have heard the adage that “it takes a village”, well we have that and then some with our club. Recently, Jaymes sent out information to the club as to responsibilities for Greeter/Program Hosts and Room Set Up assignments for all members of the club. Our newsletter will incorporate a rolling calendar as a reminder for when your turn is to come about. I thought it would be helpful to reiterate the information in that email as to responsibilities with each assignment.

Greeter: Although not new to our club but certainly new to many of our members, we will be bringing back our Greeter responsibilities. The newsletter will identify this assignment for the upcoming weeks for your convenience. Essentially your job as a greeter, is to do just that: greet our members and guests. Its great to have a friendly face greet you at the door so when it is your turn, please plan on being in the room by at least 7:00 a.m. If you are waiting for guests to arrive, you can always help out with setting up the room. It does not take long to do. Also, if you can't make it for your week, please try and switch with another Rotarian or contact Jaymes and let him know accordingly.

Program host/Room set up: This is a combined role. As you know, when you are the program host, you are responsible for setting up the program for that week. Once a program has been identified, please make sure you share that information with Jaymes and with Craig so we can make sure this information is shared with the rest of the club. If you need ideas for possible programs, please see Jaymes. In addition to the program for that day, you are also responsible for setting up the room and taking down the room both before and after the visit. If you have questions as to what is needed in setting the room up/where to find items, etc. please visit with Jaymes.

(Continued from page one)

World water day is March 22, 2017. For more information about this and/or WASRAG, go to the WASRAG website: www.wasrag.org.

For more information about the Foundation and all it does, please visit with Nancy or Dan.

At the end of the morning, members of committee three were able to get together to determine where our club's monthly giving (formerly known as Cookie Crumbs) will be going for the quarter running from April to June 2017.

The committee decided to donate the funds to Iowa's Mission of Mercy. If you

recall, Cary brought this organization to our attention when this group of dental volunteers shared their time and talent in providing free dental services to area residents a few years ago. This year's event will be held in Cedar Rapids. Regardless of where the event is held in Iowa, Cary shared that they are always in need of support. For more information about this event you can go enter the search terms "IowaMissionofMercy". You will land at the Iowa Dental website which has information about not only this year's event but past year's events as well.

Meeting Cancellation Policy

With winter starting to show itself, there may be occasions when we may be unable to meet. Our policy is as follows: When Council Bluffs Schools has cancelled classes for inclement weather, we do not meet! We still meet if the schools start late.

OK, Show of hands...
Who's tired of snow?

Souper Bowl

Earlier this week and again this morning, Cary sent out information on this weekend's food drive for our local food pantries. He shared that our club has really stepped up in volunteering to help with this year's event. You should have received the final "assignments" as to where and when your shift is to take place. As a reminder this event starts on Friday, February 3, 2017 and finishes on Saturday February 4th. All donations are greatly appreciated but money can go so much farther than the donation of food. If you have questions, please direct those to Cary. Thanks to all for stepping up and making a difference for those members of our community.

Make Up Opportunities

Monday: North- Noon, Eppley Airport Conference Center;

Bellevue- Noon, D.J.'s Dugout, 2440 Cornhusker Road;

Millard-Noon, German American Society, 3717 S. 120th Street;
