Feb. 10: Frank Fauble

Feb 23: Ron & Pam Searcy

Feb 24: Brian & Stephani Moon

## Shunji

This morning, we had a chance to get to know our Rotary Youth Exchange Student from Japan. Shunji has been in Council Bluffs since the beginning of the school year and is participating in the youth exchange program. He is the youngest of three siblings. His mother is a teacher and his father works

in the medical field. His father is also a Rotarian. Shunji shared that his sister went on a youth exchange also (she went to Lincoln Nebraska) and when she returned her English was so much better. He wanted to improve his English which was his motivating factor in becoming involved in the youth exchange program. He enjoys playing basketball and bowling. Shunji is attending Abraham Lincoln High School. He participated in cross country this fall and just finished playing basketball. He initially was staying with another family until February when he moved in with Chris Reed. When the school year is done, he will take a tour of the United States prior to returning home to Japan. The youth exchange program is supported by your contributions to the Rotary Foundation! So, thanks to all of you who have given to the Foundation.

## WELCOME

This morning our club inducted another new individual to our club. Deric Poldberg is a commercial banker for American National Bank having worked there for the past three and one half years. He was born and raised in Council Bluffs graduating from Thomas Jefferson High School. For fun he enjoys travelling and baseball. He mentioned his father is the general manager for the Omaha Storm Chasers and it sounds like an outing to the ball park for our club will be in the works. Welcome to Centennial Deric.

This morning Brian Moon spoke briefly about District 5650's

Million Dollar Journey. He shared it is our district's goal to raise \$1,000,000 for the Rotary Foundation by April 15th. He believes over \$800,000 has already been received. The district is looking for individuals to commit \$10,000.00 to the Foundation. A way this can be accomplished is by making a bequest through your will or estate plan. Brian shared he will be sending more information to each of us through our emails, so, look forward to receiving the same. If you have questions, please visit with Brian.

## Food Drive

This morning Cary gave a final recap of our club's efforts for the local food banks. He shared that \$2,529.97 in cash was raised and over 3,000 pounds of food was collected. Thanks to all who helped this year and a big thanks to Cary for his efforts in leading our club through this event.
