Vocationals

What a great program! If you were not at our meeting this morning, you missed out. This morning we got to know two of our newest members a bit better as they gave us their vocationals. Rachel Morehead started things off. Rachel was

born and raised in Council Bluffs. She attended high school at Abraham Lincoln where she participated in golf, show choir and art. When she graduated, she accepted a scholarship at Morningside College to play golf and for art. It was through golf that she

met her husband Brandon. She shared that at first, she was planning on majoring in education however discovered she rather had a passion for art, started taking some graphic design courses and changed her major accordingly. Throughout high school and college, she worked at HyVee. When she graduated from college, she landed her first job at

Greeter Assignments/Program Host Assignments & Room Set - Up Assignments

You have heard the adage that “it takes a village”, well we have that and then some with our club. Recently, Jaymes sent out information to the club as to responsibilities for Greeter/Program Hosts and Room Set Up assignments for all members of the club. Our newsletter will incorporate a rolling calendar as a reminder for when your turn is to come about. I thought it would be helpful to reiterate the information in that email as to responsibilities with each assignment.

Greeter: Although not new to our club but certainly new to many of our members, we will be bringing back our Greeter responsibilities. The newsletter will identify this assignment for the upcoming weeks for your convenience. Essentially your job as a greeter, is to do just that: greet our members and guests. Its great to have a friendly face greet you at the door so when it is your turn, please plan on being in the room by at least 7:00 a.m. If you are waiting for guests to arrive, you can always help out with setting up the room. It does not take long to do. Also, if you can't make it for your week, please try and switch with another Rotarian or contact Jaymes and let him know accordingly.

Program host/Room set up: This is a combined role. As you know, when you are the program host, you are responsible for setting up the program for that week. Once a program has been identified, please make sure you share that information with Jaymes and with Craig so we can make sure this information is shared with the rest of the club. If you need ideas for possible programs, please see Jaymes. In addition to the program for that day, you are also responsible for setting up the room and taking down the room both before and after the visit. If you have questions as to what is needed in setting the room up/where to find items, etc. please visit with Jaymes.

owa Western Community College. Jo Peters was working at the college at that time and hired Rachel to work in the Foundation department as an administrative assistant. She worked there from 2007 until April 2016 when she left to go work at her current job with Jennie Edmundson Hospital where she works with the Foundation assisting with various fundraising efforts.

Brandon and she have two kids ages four and one year respectively. She enjoys sharing her talents as a graphic designer. Centennial has seen the fruits of her talent in the short period of time she has been with the club.

Jennifer Leverett was born in Denison Iowa. She was there until age six months when they moved to Sioux Falls South Dakota. In high school, she participated in track. Jen shared that she enjoyed high school. When she graduated, she attended the University of South Dakota. She graduated in 1998 with a degree in criminal justice and political science. She had aspirations of becoming the next Clarice Starling, FBI agent played by Jodi Foster in Silence of the Lambs. This ended when she realized this career often times had her viewing crime scenes with dead people.

She then went to work for the Pottawattamie County jail working as a jailer for a number of years. She realized this was not what she wanted to do and eventually focused her efforts in becoming a mental health therapist. She is a licensed mental health therapist and is self employed. Prior to having her own business, she worked for Children's Square (hired by Lucinda) to work with youth. Jen shared she enjoys working with troubled teens but her focus now is working with young adults who have experienced some form of trauma.

Aside from her career, Jen is busy with many other things. She provides respite care for a ten year old who is diagnosed with cerebral palsy. She watches him every other weekend and has been doing such for this child's life. She is a licensed foster parent although she does not currently have any foster children in her care.

Jen shared that in her "free time" she travels. She sells Mary Kay cosmetics and is a facilitator for the Teddy Bear Hollow program. She is also a third generation Rotarian!

We are fortunate to have both Rachel and Jen in our club. Thanks to both for sharing with our club this morning.

Souper Bowl

effort.

It is that time of the year again. On February 3rd and 4th our club will once again participate in our Souper Bowl event to raise funds for our local food banks. Cary sent around a sheet this morning looking for volunteers. If you did not get a chance to sign up, you will get a chance in the upcoming weeks. Otherwise, please make sure you contact Cary and let him know how you can help. It is also a great way to get family members involved for a very worthy cause. A big thanks again to Cary for leading this
