## Greeter Assignments/Program Host Assignments & Room Set - Up Assignments

You have heard the adage that “it takes a village”, well we have that and then some with our club. Recently, Jaymes sent out information to the club as to responsibilities for Greeter/Program Hosts and Room Set Up assignments for all members of the club. Our newsletter will incorporate a rolling calendar as a reminder for when your turn is to come about. I thought it would be helpful to reiterate the information in that email as to responsibilities with each assignment.

Greeter: Although not new to our club but certainly new to many of our members, we will be bringing back our Greeter responsibilities. The newsletter will identify this assignment for the upcoming weeks for your convenience. Essentially your job as a greeter, is to do just that: greet our members and guests. Its great to have a friendly face greet you at the door so when it is your turn, please plan on being in the room by at least 7:00 a.m. If you are waiting for guests to arrive, you can always help out with setting up the room. It does not take long to do. Also, if you can't make it for your week, please try and switch with another Rotarian or contact Jaymes and let him know accordingly.

Program host/Room set up: This is a combined role. As you know, when you are the program host, you are responsible for setting up the program for that week. Once a program has been identified, please make sure you share that information with Jaymes and with Craig so we can make sure this information is shared with the rest of the club. If you need ideas for possible programs, please see Jaymes. In addition to the program for that day, you are also responsible for setting up the room and taking down the room both before and after the visit. If you have questions as to what is needed in setting the room up/where to find items, etc. please visit with Jaymes.

## GET TO KNOW EVERYONE BINGO

This morning, our club members got to know each other a bit better. Chris led our club in a "club bingo" this morning. Each of us was given a bingo sheet and we were each charged with speaking to other members in the room to find out not only more information about that member, but, also try and fill in our respective sheets to create a bingo. It was a lot of fun. Afterwards, Chris compiled the following information from this morning:

Bob Collins - has never got a speeding ticket

Scott Darrah - has been to an Hawaiian Island

Craig Dreismeier - danced the "Chicken Dance" at a wedding

Cary Jackson - likes to quote Will Ferrell movies

Mitch Kay - has eaten escargot (snails)

Jen Leverett - speaks Arabic

Nancy Mack - has fainted or thrown up in public (which one Nancy, we didn't hear about this when Kyle was discussed?)

Kyle McGinn - has thrown up in public

Brian Moon - favorite author is Dr. Seuss

Rachel Morehead - has ever made a snowman as an adult

Jo Peters - dislikes chocolate

Chris Reed - laughed so hard you peed

Dan Reese - drove to Canada more than once

Mike Skipton - visited another continent

Rick Stone - ridden a horse

A special thanks to Chris for her efforts in putting together this morning's program.

## Souper Bowl

It is that time of the year again. On February 3rd and 4th our club will once again participate in our Souper Bowl event to raise funds for our local food banks. Cary sent around a sheet this morning looking for volunteers. If you did not get a chance to sign up, you will get a chance in the upcoming weeks. Otherwise, please make sure you contact Cary and let him know how you can help. A big thanks again to Cary for leading this effort.

This morning Nancy shared that the deadline for our scholarship applicants will soon be over. She is looking for individuals to help her review the applications and ultimately decide

who should be awarded our club's scholarship. Our club has budgeted for up to two \$1,000.00 scholarships. If you are interested, please visit with Nancy.

This morning our club started its new quarterly contributions (formerly known as Cookie Crumbs). This quarter's collections will be for Children's Square. On the first day of the next three months, we will pass the "jar" around for individuals to contribute to this organization.

## Meeting Cancellation Policy

With winter starting to show itself, there may be occasions when we may be unable to meet. Our policy is as follows: When Council Bluffs Schools has cancelled classes for inclement weather, we do not meet! We still meet if the schools start late.
