COLLEGE WORLD SERIES COUNT-DOWN!

On Wednesday we heard from Kathryn Morrissey, the Executive Director of CWS Omaha, Inc. This entity is not associated with the NCAA

but rather is the local organizing committee for the college world series on an annual basis. CWS Omaha, Inc. is actually the entity which secures the agreement with the NCAA to hold the college world series in Omaha. Kathryn, a native of

Council Bluffs has been associated with this organization since 1988. She shared that early on, her affiliation was as a volunteer. She shared that the organization

Greeter Assignments/Program Host Assignments & Room Set - Up Assignments

You have heard the adage that “it takes a village”, well we have that and then some with our club. Recently, Jaymes sent out information to the club as to responsibilities for Greeter/Program Hosts and Room Set Up assignments for all members of the club. Our newsletter will incorporate a rolling calendar as a reminder for when your turn is to come about. I thought it would be helpful to reiterate the information in that email as to responsibilities with each assignment.

Greeter: Although not new to our club but certainly new to many of our members, we will be bringing back our Greeter responsibilities. The newsletter will identify this assignment for the upcoming weeks for your convenience. Essentially your job as a greeter, is to do just that: greet our members and guests. Its great to have a friendly face greet you at the door so when it is your turn, please plan on being in the room by at least 7:00 a.m. If you are waiting for guests to arrive, you can always help out with setting up the room. It does not take long to do. Also, if you can't make it for your week, please try and switch with another Rotarian or contact Jaymes and let him know accordingly.

Program host/Room set up: This is a combined role. As you know, when you are the program host, you are responsible for setting up the program for that week. Once a program has been identified, please make sure you share that information with Jaymes and with Craig so we can make sure this information is shared with the rest of the club. If you need ideas for possible programs, please see Jaymes. In addition to the program for that day, you are also responsible for setting up the room and taking down the room both before and after the visit. If you have questions as to what is needed in setting the room up/where to find items, etc. please visit with Jaymes.

On June 29th our club will not meet in the morning as normally scheduled. Rather, we are celebrating the end of Scott's year and the start of Dan's year at 5:30 p.m. at Barley's in Council Bluffs. We are planning on meeting for some fun between 5:30-7:30 p.m. The club will provide the appetizers. Bring your spouse, significant other, friend or potential new member.

COLLEGE WORLD SERIES CONT'D

has been in existence since 1950 although it was not incorporated until 1967. It employs 4.5 individuals on an annual basis and she shared that their offices will soon be located across the street from TD Ameritrade Ballpark. Kathryn reminded us that the College World Series was not always as popular as it is present day. She shared that it was not until the 1980's when ESPN started covering it, that the event really started to gain national exposure. The event has been in Omaha since 1950 and the support from the local communities has been incredible. Kathryn shared a shortened list of "what's new" for this year. She indicated the sandlot will now be located in the Aksarben Village area. This ball park is designed for wiffle balls. It is free to all however you will want to register to have guaranteed access to the field. Information can be found at cwsomaha.com. She indicated that the Golden Knights, will be parachuting into the stadium during the opening ceremonies (weather permitting). Teams will be practicing on Friday at the stadium each for an hour. Following each team's practice, the team will be available for autographs. This year, the autograph sessions will only be open for forty five minutes. She shared efforts to make part of the surroundings around the stadium a bit more family friendly. A ferris wheel will be brought in along with other family friendly activities. Also, there will be bungalows, i.e. tiny houses, for rent as well. She shared that the NCAA is going to permit on a trial basis, alcohol to be served in the stadium this year. Again for more information as to what is new or to find out more information, please go to the website at cwsomaha.com. Thanks to Brian for arranging for Kathryn to be present.

District Conference

District Conference is set to occur on August 5th and 6th in Lincoln Nebraska. Speakers for the conference include former senators Bob Kerry and Chuck Hagel. Registration information can be found at the District website: rotarydistrict5650.org. There is a discount being offered for early registration.
