CLUB ASSEMBLY

Today we had a club assembly. We spoke about many different topics of vast importance to our club. First, Dan and Amber discussed the success of the indoor bike ride for Polio. Due to their efforts, our club will be recognized for donations of \$437.00 toward the Polio Plus campaign. Nice job guys!

As you know, our club hands out scholarships to graduating seniors to assist with college expenses. It is that time of year to start this process. Nancy indicated she would be willing to take the lead on this project. She needs people to help her read/judge the applications once these are received. If you are interested, please contact Nancy.

We are approaching that time of the year for our club's elections of leadership roles for the club. On December 14th, our club's election will take place. We have had several individuals step up who have agreed to be placed on the ballot for different positions. Bob Collins as been put on the ballot for President Elect (serving as club president during the 2017-2018 Rotary years). Lucinda has indicated a willingness to serve as secretary. Mitch has indicated a willingness to

Greeter Assignments/Program Host Assignments & Room Set - Up Assignments

You have heard the adage that “it takes a village”, well we have that and then some with our club. Recently, Jaymes sent out information to the club as to responsibilities for Greeter/Program Hosts and Room Set Up assignments for all members of the club. Our newsletter will incorporate a rolling calendar as a reminder for when your turn is to come about. I thought it would be helpful to reiterate the information in that email as to responsibilities with each assignment.

Greeter: Although not new to our club but certainly new to many of our members, we will be bringing back our Greeter responsibilities. The newsletter will identify this assignment for the upcoming weeks for your convenience. Essentially your job as a greeter, is to do just that: greet our members and guests. Its great to have a friendly face greet you at the door so when it is your turn, please plan on being in the room by at least 7:00 a.m. If you are waiting for guests to arrive, you can always help out with setting up the room. It does not take long to do. Also, if you can't make it for your week, please try and switch with another Rotarian or contact Jaymes and let him know accordingly.

Program host/Room set up: This is a combined role. As you know, when you are the program host, you are responsible for setting up the program for that week. Once a program has been identified, please make sure you share that information with Jaymes and with Craig so we can make sure this information is shared with the rest of the club. If you need ideas for possible programs, please see Jaymes. In addition to the program for that day, you are also responsible for setting up the room and taking down the room both before and after the visit. If you have questions as to what is needed in setting the room up/where to find items, etc. please visit with Jaymes.

CENTENNIAL NEWS

This year we will once again be adopting a family for the holidays. We have a family of four: a husband and wife and their two children ages 10 & 7. Our club has a budget of \$300.00 plus any contributions we received today. We are looking for people interested in shopping for the family and wrapping the gifts. If interested, please visit with Lucinda.

We are participating in the Christmas Store at Children's Square. We are looking for items the students at Children's Square can select to wrap and give to family members. We need toys, gift items for women, gift items for men, items for teens, etc. This is a great opportunity to re-gift items or clean out your closet. Time is almost running out. We need these gifts either to Lucinda by December 7th (at our next club meeting) or dropped off to Lucinda at Children's Square.

Our club will once again be ringing bells for the Salvation Army. We will be participating on December 3, 2016 from Noon to 6:00 p.m. at the JC Penny's store in Council Bluffs. Shifts are one hour each with two people to a shift. Rick announced today that we need one more person for the shift from 5:00 to 6:00 p.m. If you are able to help out with this worthwhile cause, please visit with Rick Stone.

(Club assembly continued)

serve as treasurer. Rick Stone has agreed to have his name placed on the ballot for an at large board member (a two year commitment from 2017 to 2019). A BIG thanks to these individuals for their willingness to take on these leadership roles. No one yet has stepped forward indicating a willingness to serve as club president during the 2018-2019 Rotary years. If you are interested in this position or want your name added to the ballot for any of the other positions mentioned above, please see Dan. If you believe someone would be a good candidate for any of these positions, please visit with that person and encourage him/her to consider having their name added to the ballot. As noted, if you are interested or have a name to share, please visit with Dan.

SOUPEL BOWL

Its time to start thinking about our Souper Bowl project to help local food pantries. For the past several years, our club has partnered with the Noon Rotary Club in an effort to aid our local food pantries. This year's project will again occur on the Friday and Saturday which proceed the Super Bowl. (February 3-4). We will have members at local grocery stores handing out fliers encouraging donations of food and/or money. Cary Jackson has agreed again to take on this project for our club. (Thanks Cary!) Expect to see sign up sheets very soon.
