Club Assembly

This morning we had a club assembly. The members present broke out into their respective committees to discuss upcoming issues. Our past luncheon is fast approaching. The date is November 4th at the Masonic Temple. Preparations are underway. This morning, flyers and tickets were passed out. If you were not there, expect to get your tickets soon. We need everyone to work hard at selling their tickets. We also need everyone's help in volunteering that day. This is our biggest fundraising event for the year.

Caitlin Lombardo was present this morning and met with our committee related to the Shelter Box program. Dan shared that the consistent theme he received from members of the club in designating other nonprofits (other than cookie crumbs) as the recipient of our quarterly contributions was that we wanted to do more than simply write a check. Well here is your chance.

Greeter Assignments/Program Host Assignments & Room Set - Up Assignments

You have heard the adage that “it takes a village”, well we have that and then some with our club. Recently, Jaymes sent out information to the club as to responsibilities for Greeter/Program Hosts and Room Set Up assignments for all members of the club. Our newsletter will incorporate a rolling calendar as a reminder for when your turn is to come about. I thought it would be helpful to reiterate the information in that email as to responsibilities with each assignment.

Greeter: Although not new to our club but certainly new to many of our members, we will be bringing back our Greeter responsibilities. The newsletter will identify this assignment for the upcoming weeks for your convenience. Essentially your job as a greeter, is to do just that: greet our members and guests. Its great to have a friendly face greet you at the door so when it is your turn, please plan on being in the room by at least 7:00 a.m. If you are waiting for guests to arrive, you can always help out with setting up the room. It does not take long to do. Also, if you can't make it for your week, please try and switch with another Rotarian or contact Jaymes and let him know accordingly.

Program host/Room set up: This is a combined role. As you know, when you are the program host, you are responsible for setting up the program for that week. Once a program has been identified, please make sure you share that information with Jaymes and with Craig so we can make sure this information is shared with the rest of the club. If you need ideas for possible programs, please see Jaymes. In addition to the program for that day, you are also responsible for setting up the room and taking down the room both before and after the visit. If you have questions as to what is needed in setting the room up/where to find items, etc. please visit with Jaymes.

(Shelter Box continued)

As noted in prior newsletters, we have partnered with Caitlin's Rotaract club for this project. We get the easy job! All we need to do is find area businesses who are willing to simply allow us to display information about the shelter box program along with a collection jar to take donations. If you are not comfortable in approaching the business, that is fine as Caitlin's crew will go out and talk to the area businesses, explain the program and the expectations of simply allowing us to promote this project in their business. We have two club members who have already agreed, Cary Jackson and Scott Darrah. Thanks guys. So, this is your opportunity to step up and do more than simply "write a check". If you know of a business or are interested in having a display in your business, please contact Craig at tdreismeier@cox.net or Caitlin Lombardo at 712-310-5083. I have included a copy of the flyer (page that follows) to be displayed at the business for your review which provides some additional information.

As you know, Scott Darrah is a financial planner with Ameriprise Financial. Scott has shared that his company has an outreach program geared toward funding various community service projects. He indicated this may present an opportunity to have financial backing for a service project. Ameriprise has its own rules which need to be followed but the important thing to remember is this is an opportunity. So, if you have any ideas for community service projects/programs, etc., please share these with Scott.

Rotary night out

Save the date. October 12, 2016 we won't be meeting at our normal time. Instead we will be meeting that evening at a location to be determined. This will be a great time for us to get together in an informal setting with our spouses/significant others and even potential new members. So, save the date!

ShelterBox

ShelterBox is a way to get aid and supplies to those who've lost their homes. Contents are culture and environment sensitive so resources are never wasted.

Donate

CB Centennial Rotary and RotorAct of Omaha are powering this fundraiser

Purchase

Each box costs \$1,000 and contains supplies for a 4-5 person family.

Deploy

Our donations to ShelterBox will benefit victims of natural disaster and political conflict.
